WKC VIRTUAL LEAGUE

BANQUET AND AWARDS CEREMONY

OCTOBER 3, 2021 • 12:00 PM EST

YOU'RE INVITED

Thank you for your support of the first ever WKC Virtual League season. Due to the pandemic, we were not able to hold the normal regional and qualifier events for the WKC. We hoped that offering the WKC Virtual League would allow competitors an opportunity to compete, train, and stay motivated about competition. As an incentive, we also offered wild card spots at the WKC World Championships for all competitors who ended the season rated #1 in any WKC division.

We have to say that you all completely blew us away with the enthusiasm, participation and level of competition that we saw this season. The divisions were deep with talent and we were very impressed. It was also great to see so many amateur competitors taking the opportunity to get involved in the WKC.

To finish the virtual season, you are invited to the official Banquet and Awards Ceremony! In addition, participants are eligible for awards. All competitors rated #1, #2 or #3 in a division are eligible for special WKC Virtual League medals. Custom designed WKC Virtual League gear is also available for everyone to browse. This is a great way for you to commemorate your WKC Virtual League season and to celebrate your accomplishments.

We are already planning the 2022 WKC Virtual League because it is another path to martial arts competition success. We hope you will be a part of it next year.
